

FRIENDS OF THE FARM

Adoption Program

Have you ever wanted to raise a rooster, nurture a nanny goat, or pamper a piglet? The Champaign Park District invites you to add a new “addition” to your family! Become the proud parent of a Prairie Farm resident of your choice by enrolling in our Friends of the Farm program.

Your home and yard will remain clean and goat-free, because your new addition will reside at Prairie Farm. Visit your adoptee all summer long, free of charge!

And it’s so easy! Just select an animal from the list and send in your completed adoption papers with payment to Prairie Farm. Once the information has been processed, you’ll receive your Prairie Farm Parent Packet in the mail.

Best of all, you’ll receive the satisfaction of knowing that you are helping to provide for the welfare of your adopted animal. Your totally tax-deductible adoption money goes toward the feeding and health needs of all animals at Prairie Farm.

So send in your adoption papers today, and start raising your rooster tomorrow!
