

ACTIVITIES

CRAFTS FOR CHARITY GROUP

Ages 50+

We will be teaming up with several different charities throughout the Champaign-Urbana area to provide comforting gifts to people in need. In the past, we made kits with blankets and hats for chemotherapy patients and made Comfort Cases for children in the foster care system. The Charity Planning Committee of Members will meet on the first Monday of every month to discuss the philanthropic crafts for the upcoming weeks. Bring your ideas and help create smiles in C-U.
