Benefits of Busy Bees & Creative Playtime

The Champaign Park District Busy Bees and Creative Playtime programs provide a stimulating and secure environment in which your child can grow socially, intellectually, and emotionally. Through play your child will learn to understand the world on his/her own terms and to have some control over it in order to meet his/her own needs. Your child will be respected as an individual, recognizing and emphasizing his/her worth, dignity, and unique qualities.

Careful planning and guidance by experienced, caring teachers and a well-equipped and well-designed room help make this a pleasant and valuable experience for your child.

The two-day class meets on Mondays and Wednesdays from 8:30-11:15am. These classes are limited to 20 students. The five-day Busy Bee classes meet from 8:30-11:30am. Creative Playtime meets Monday & Wednesday; Tuesday, Thursday, and Friday; or Monday-Friday from 11:30am-3:15pm or 5:30pm. Prompt pick up from all programs is expected. We will charge a \$1.00 per minute late fee if you are late to pick up your child.
3. All children enrolled in the program must have written consent forms on file for emergency medical care and field trips before they can be admitted to the class.
4. All children enrolled in the program must have a medical examination and must return the medical form provided before they can be admitted to the class.
5. Each program requires a \$35 non-refundable deposit. The remaining fee is due before class begins.
6. These are nine month programs from September - May. The monthly tuition fee is due by the 20th (regardless of what day the 20th falls on) of the month in advance for the next month (example: September tuition is due by August 20). A \$10.00 late charge will be added if the tuition is late. The monthly tuition fee is based on full attendance and no credit is allowed for holidays, vacations, illnesses, or snow days. Fees are non-refundable.
7. Non-residents of either Champaign Park District or Urbana Park District must pay 50% more than the stated rates or \$50 more for fees over \$100 for each month the child is enrolled in the program. As an option to paying non-resident fees, a yearly non-resident fee may be paid.
8. If it is necessary to withdraw your child from the program before the end of the school year, please give us two-weeks notice in writing. If you wish to re-enroll your child, you will be placed on a waiting list if a space is not available. If you do not give a two week notice you will be responsible for payment of the following month. This policy applies to switching from one Park District program to another also.
9. The Champaign Park District may remove from the group, any child who after a reasonable trial, demonstrates inability to participate in or benefit from the program and whose presence is detrimental to the group.
10. **We are a nut-free facility.**
11. Some participants may need to be given medicine during the program. In order for the Champaign Park District to be able to dispense medication, the following guidelines must be followed:

Champaign Park District Procedures for Dispensing of Medication

Parental Procedures and Responsibilities

The parent/guardian **must**:

- a. Complete the *Permission To Dispense Medication/Waiver and Release of All Claims* form;
- b. Complete and sign the Medication Dispensing Information form;
- c. Deliver all medication to the designated staff member in the original prescription bottle which includes the person's name, medication, dosage, and time of day medication is to be given;
- d. Verbally communicate with agency staff regarding specific instructions for medication.

Guidelines for Activities

1. Please enter the drop-off area from Church Street and exit to the right through the alley and then to Randolph Street. The teachers will greet you in the drop-off area. Drop off times will be sent to you by e-mail. Please stay in your cars as we will get the children out one at a time. This will allow traffic to flow safely. Please do not leave your child until a teacher greets you.
2. The 2 and 3 day pickup time is 11:15am or 3:15pm. The 5-day pickup time is 11:30am. Creative Playtime pickup time is 3:15pm or 5:30pm. Please enter and exit as stated above. Please stay in your cars as we will put your child safely in his/her car. Notify a teacher if someone other than the regular person is going to pickup your child. Children will only be released to adults. If you are interested in a carpool, we will help you locate other families who live in your area. Please notify us of carpools.
3. Activities planned will allow for 6 feet social distancing. All participants will be required to wear a mask. Please send several extra masks for your child to store in their cubby. Soiled masks will be sent home for cleaning.
4. Children should wear play clothes that can be washed as we often use paints and other messy materials. Having to worry about soiling clothes inhibits a child's activity. For safety reasons, soft-soled shoes or tennis shoes are highly recommended.
5. Weather permitting, we will walk to West Side Park. All children should wear appropriate clothing including warm coats, hats, and mittens. We will walk over using a rope with loops for the children to hold on to. All children go outside. Please do not ask us to keep your child inside as we are not staffed to do this.
6. The attached calendar indicates the days on which the programs will be held. We follow the Unit 4 school calendar except for early dismissals and Institute Days unless noted otherwise. If Unit 4 closes due to inclement weather, we will close. In addition, the Champaign Park District may include other snow days not coinciding with Unit 4. Program cancellations will be listed on our Rainout Line and the staff will attempt to contact you by telephone.
7. Your child will not be able attend the program when he/she is ill (has a fever, a severe cold, feels sick, or shows other signs of illness). Your child should be free of these symptoms for 72 hours before returning to preschool.
Participants will be isolated if they exhibit Covid-like symptoms. If they have Covid, they will be required to isolate for a minimum of 10 days after symptom onset and can be released after feverless.
A daily health check will be done upon arrival. Please monitor your and your child's temperature before arriving to the preschool programs. This is subject to change according to Public Health guidelines which will be emailed out monthly.
8. POLICY ON HEAD LICE
 - A. Proof of purchase of shampoo for first treatment
 - B. Doctor's note to return
 - C. Proof of purchase of shampoo for second treatment
9. Although children like to bring toys and other objects to the program, we highly discourage it as they often become lost or broken. We will offer Show 'n Tell bags on several different occasions during the school year.
10. Please label all belongings such as coats, hats, mittens, and boots.
11. Staff will assign snack days to all participants. Your child's snack day will be given to you on the monthly calendars he/she will be bringing home. Parents should supply milk or juice with their snack. Healthy snacks are appreciated. Special treats may be sent on your child's birthday. Please do not send peanut butter or any snacks containing nuts.

Guidelines for Busy Bees Activities (continued)

12. Please send two snapshots of your child, one for the birthday calendar and one to label the box in which he/she will keep their personal items.
13. Feel free to arrange a conference with the teachers if you wish to discuss your child and/or the program.
14. Discipline is used as a method to help your child learn self control and how to solve personal conflicts. Staff finds a firm verbal reminder of the correct behavior usually controls the problem. If not, staff will remove the child from the group (time-out) in order for them to think about the situation and their actions. If a problem continues, further disciplinary procedures are listed under Steps of Progressive Discipline on page 5.
15. Illinois state law requires all children ages 8 and under to be secured in a child safety seat. Therefore, it is necessary to use your child's safety seat in your car during drop off/pick up.
16. Participants who are 3 years old must be in the process of potty training and parents must be working on it at home.

Tornado and Fire Plans

In the event of the tornado siren sounding, all participants will take refuge in the center hallway of the lower level of the building. We will remain there until we receive word that we are in the clear.

In the event of a fire, the alarms at our center will be sounded. All participants under the supervision of the staff will leave the building through the nearest unobstructed exit, and shall seek shelter at the Virginia Theatre, 203 W. Park Ave, 356-9063. Parents and guardians will be notified as soon as possible. We will stay at the Virginia Theatre until all the children are picked up by their parent or guardian.

Maintaining Children's Records

We require updated children's forms at the beginning of our programs. The children's personal records are maintained by the supervisor of our programs. The personal records are kept in a locked office space during the duration of the program. The forms are dated and stored at our main facility and shredded after 7 years.

Compliance Standardization

The Champaign Park District is not licensed or regulated by DCF. The Champaign Park District runs background checks on all staff, provides staff trainings, and complies with all CCRS mandated Child Development Trainings including the mandated reporter training through DCF. The Champaign Park District complies with an intensive risk management program. We are audited regularly by PDRMA, a risk management agency. Staff at the district are current in CPR/First Aid Certifications provided by certified trainers. The district complies with the Illinois Department of Public Health, Fire Safety Standards of Illinois State Fire Marshal and the health and safety standards of Illinois State Board of Education.

Photographs

The Park District occasionally takes photographs or video of participants for promoting/ advertising our programs, services, events, activities, and facilities in our brochures, website or agency social media, and other promotional avenues. By registering for, participating in or attending Park District programs, events, or other activities, the participant (or parent/ guardian of a minor participant) irrevocably agrees to the use and distribution by the Park District of his or her image (or of his minor child/ward) in photographs, video recordings, and any other electronic reproductions of such programs, events and activities for any purpose without inspection or approval and without compensation, rights to royalties or any other consideration now and in the future.

Behavior Code of Conduct

All participants are expected to exhibit appropriate behavior at all times while participating, spectating, or attending any program or activity sponsored by the Champaign Park District. This includes participation in programs that may or may not require an admission fee, such as spectating at athletic events, concerts, or attending special events. The following guidelines are designed to provide safe and enjoyable activities for all participants. Additional Codes of Conduct may apply for particular programs such as day camps, athletic leagues, and aquatic facilities.

Participants shall:

1. Show respect to all participants, spectators, and staff. Will also show respect for program rules and equipment.
2. Take direction from Champaign Park District staff.
3. Refrain from using abusive or foul language.
4. Refrain from causing bodily harm to self, other participants, spectators, or Champaign Park District staff.
5. Refrain from damaging equipment, supplies, and facilities.

Steps of Progressive Discipline:

1. First occurrence, child receives a verbal correction.
2. Second occurrence, child receives a time-out.
3. Third occurrence, child receives a time-out and positive reward system is discussed with the parent.
4. Fourth occurrence, parent is called in to pickup child and positive reward system is reinforced.
5. Fifth occurrence, child deemed not suitable for program and asked to leave.

Note: In cases of inappropriate behavior deemed extreme by staff, participants may be suspended or dropped from the program immediately, regardless of the number of previous occurrences.

Parents/guardians are responsible for informing the Champaign Park District in writing if their child has a behavior disorder. This should be done directly to the Program Coordinator at the time of registration. This will allow adequate time for staff to prepare before the program starts. Staff will provide reasonable accommodations so that each child can successfully participate in the program.

Please Note: Parents/guardians are responsible for informing the Champaign Park District if their child has special needs **that will require accommodation.** The needs include, but are not necessarily limited to, physical or developmental impairment, medical conditions (including serious allergies), behavior disorders, etc. The Park District will provide reasonable accommodations to give each child the best possible chance to succeed in the program. **In the interest of safety, no child will be allowed to participate in programming if required accommodations are not in place prior to the first day of the program.**
